Heaven Touches Earth Companion

Healing and Deliverance Scriptures and Prayers

*This compilation of healing and deliverance scriptures and prayers, taken from the book – **Heaven Touches Earth** – is a quick and easy resource for anyone ministering to hurting people. There is power in God's Word.*

While we know that healing is not always cure, we know that God's deepest desire is to bring healing to our hearts and be in right relationship with Him and with each other. As we turn to scriptures appropriate for the need, we find that God speaks to us. He offers us hope, courage, peace and direction. He covers us with the cleansing, purifying gift of forgiveness, while pouring out His grace to bring us comfort.

Derry's prayer is that as you listen to the voice of the suffering, you will walk forward prepared to make a difference, empowered by the very Word of God

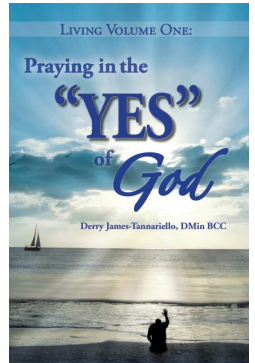

Living Volume One: Praying in the “YES” of God

God knows your name! Do you believe that? Do you believe there even is a God?

Do you believe that Jesus Christ knows who you are and is interested in your life? Do you believe that He is Who He says He is, and can do what He says He can do?

When you pray? Does it sometimes feel like your prayers are hitting the ceiling, or are falling on deaf ears? Are you angry with God because your prayers seem not to be answered?

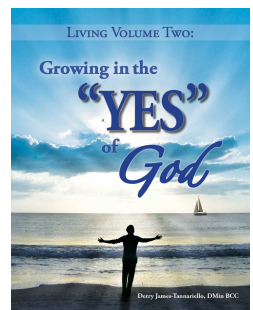

Praying in the YES of God will help you find those answers and give you the tools to face the unknown with the peace and confidence that God loves you! Learn how to live with triumphant faith, peace of mind, and enthusiastic testimony.

Living Volume Two: Growing in the “YES” of God

God knows your name! Do you wonder why it seems some people have answers to their prayers and unexplainable miracles in their life – and you don't? Is there really any such thing as security and joy? What does love mean? What if you could find out the answers to these questions and more? You can.

Growing in the YES of God will help you find those answers and give you the tools to face the unknown with the peace and confidence that God loves you! This in depth Bible Study on principals of how to have a more effective prayer life, further growth in Jesus, and living out His character and plans for your life victoriously and blessed, will reassure you of God's love.
